

World AIDS Day 2022

Since 1982, we have been supporting people impacted by HIV. This **World AIDS Day**, it's time to remember, and to continue our vital work today, tomorrow and into the future for all people living with HIV.

Your support helps us be here today

To give urgent support to those at risk through our life-changing helpline **THT Direct** so people know how and where to test. The sooner people know their status, the quicker they can get on to treatment to live long, healthy lives and can't pass the virus on, helping to bring an end to new cases of HIV.

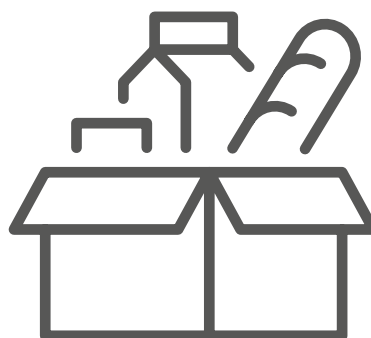

Your help also means we're there if someone gets a positive diagnosis at home, they don't have to face it alone.

Our small busy team answer every call they can but we still missed 10% of callers last year – **£15.92** could help answer one call to THT Direct, a lifeline that helps nearly **20,000** vulnerable people last year.

Your support will help us be here tomorrow

Through our **Hardship Fund** to help even more people impacted by HIV who are experiencing severe financial difficulties, especially during the hard months ahead as the cost of living crisis is felt across the UK.

With your support, we can help everyone in need. **£50** could help provide a vital grant for people struggling to afford basic necessities.

World AIDS Day 2022

Your support will help us be here for everyone in the future

To give support, information and advice to people impacted by HIV through our vital services so everyone with HIV can live and age well.

People living with HIV are twice as likely to experience feelings of depression and anxiety than the general public – **£100** could help fund our Living Well services ensuring those ageing with HIV receive the support they need.

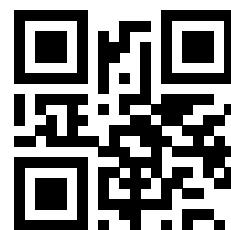

Thank You

This **World AIDS Day**, help us be here today to answer every urgent call, to be here for someone struggling to afford basic necessities, and help ensure people ageing with HIV get the support they need. Together we can end HIV transmissions and support people impacted by HIV today, tomorrow and into the future.

Every pound you raise means we can help more people with HIV. Find out more about how you can support our vital services for **World AIDS Day**
